3. Character dialogue:

Arun: "Grandpa said this place held forgotten secrets... I didn't think it would be this huge."
4. Important visual details for the illustration:

Arun stands small in the dead center of a cavernous, ancient library.

Shafts of dusty golden sunlight cut through the dim, shadowy air from unseen high windows.

Massive, towering bookshelves stretch up into the darkness above, filled with leather-bound tomes.

Arun is a young, adventurous-looking teenager dressed in practical explorer's clothing, holding a small, old-fashioned brass lantern aloft to peer into the gloom. He looks up with a mixture of wonder and slight intimidation.
